Denise Sutton is a highly sought after business owner, producer, director, and radio/television talk show host. She has unequivocally changed the world of Christian media with her remarkable gifts, wisdom, and experience.

Denise hails from the greater New York area, where she hosted CAN WE TALK Television, a popular public access television program. She has participated as a guest radio announcer on several radio programs within the New York City tristate area, and has served as a panelist, presenter, and speaker at various events. With the success of CAN WE TALK Television on JAMVIBES TV & RADIO NETWORKS, BRIC's Brooklyn Free Speech Television (BFS), Manhattan Neighborhood Network (MNN), and now part of the fall lineup of the TOTAL FAITH NETWORK (TFN Broadcast), Denise continues to trail blaze into territories across the country.

In 2007, after much prayer and research, Denise founded Now A Child Productions, LLC, and currently serves as its Chief Operating Officer. In its tenth year, Now A Child Productions, LLC produces inspirational mass media formatted programs, and CAN WE TALK Television (now in its twentieth year of production) is its flagship broadcast show. Back to Basics, the second broadcast feature show, is currently in the production and development stage. Denise remains committed to showcasing the love of Jesus Christ through mass media, featured guest interviews, spiritual teachings, and gospel/inspirational music videos.

Denise has been an active community builder and organizer, and she remains steadfast in her commitment by serving on the Board of Directors of Hope Brings Peace and LifeZone 10:10. Hope Brings Peace is a 501(c)3 not-for-profit dialysis and disease prevention ministry that focuses its efforts on educating the community on kidney disease, diabetes, and hypertension prevention. LifeZone 10:10, also a 501(c)3 not-for-profit community based organization, focuses on educating individuals by presenting biblical principles, recreation, fellowship, and providing free meals to individuals in the community.

Over the years, Denise has been an avid supporter of the arts and has performed as a cast member of the stage play and gospel concert titled "Triumph Through Tribulation." She has also hosted the New Wave Dance Youth and Community Development Company's Annual Dance recital.

Denise's work at large stems from her commitment to her church, Beulah Tabernacle Church of our Lord Jesus Christ, pastored by Bishop Horace C. Michael, where she serves as a leader. Denise truly loves the people of God and looks forward to fulfilling her destiny. She firmly believes when one knows their purpose in life, the journey to fulfillment fosters expectation and growth in the knowledge of God.

Denise Sutton holds a Bachelor of Arts in Television & Radio from Brooklyn College, and is a member of Toastmasters International. She enjoys spending time with her family, traveling, and dance, and she is a consultant for Traci Lynn Jewelry.
